**Notorious** Lauded as sparkling and exhilarating, violinist, singer, and clogger **Eden MacAdam-Somer** and master guitarist **Larry Unger** present a thrilling musical experience in genres that span many continents. With **Sam Bartlett** on mandolin and jaw-harp and **Mark Hellenberg** playing percussion, their music lights up dance halls with rhythm and sonority. Their performances are always new and exciting, featuring traditional American, Celtic, and Eastern-European tunes and songs, swing, blues, classical music and the group's original compositions.

**Anna's Bananas** began with "old codger" Bart Saylor corrupting a few young classical violinists into fiddlers and erupted into one of the most energetic and eclectic contra bands in the region. With Bart on guitar, Andrae Raffield busting out electric bass, mandolin, & viola, Taylor Raffield and Sytske Hillenius igniting the stage on fiddle, Michelle Hillenius jumping in when 2-3 fiddles is just not enough, and Joey Dorwart driving the train on percussion and sax, this is sure to be a band that has the crowd moving and grooving, shrieking and stomping.

**Diane Silver** has a penchant for hot modern contras -- with a few fun squares -- provides a sizzling evening for experienced dance groups. Her swing workshop will have you Lindy Hopping and Jitterbugging around the room. A popular caller throughout the nation, this will be her second Bug Stomp.

**Adina Gordon** calls dances throughout the country, delighting folks with her energy and enthusiasm. Experienced and new dancers alike enjoy her clear teaching and choice of engaging dances. Her reassuring stage presence and mellow voice will have you floating off to dance nirvana in no time.

**Location:** This year's Bug Stomp will be back at the Felix Davis Community Center at Park Circle in North Charleston. It's got a great sprung wood floor and high ceilings. Located in a park in the middle of a huge traffic circle there's plenty of parking and easy access from most everywhere. It's a short walk to the restaurants and pubs of the old North Charleston business district. Last year was our first year at Park Circle and we heard nothing but raves about the dance hall.

**Directions to the Dance:** Arriving in Charleston on I-26, take the I-526 exit (exit 212B-C) toward Savannah/Mt Pleasant. Merge onto I-526 E via Exit 212C on the Left toward Mt Pleasant. Take the N. Rhett Ave exit, Exit 19. Turn Right onto N Rhett Ave. N. Rhett Ave will come to Park Circle in less than one mile. Turn right on to Park Circle and drive around the circle until you see the sign on your left for "Felix Davis Community Center" about three-quarters of the way around the circle.
